**Edgewater Cabinet Store, LLC**

## **CUSTOMER MATERIAL PURCHASE AGREEMENT**

### **1. Sale & Scope**

Edgewater Cabinet Store, LLC ("Store") sells cabinetry and related materials ("Materials") to:

**Customer Name:** \_\_\_\_\_ according to the invoice issued by the Store ("Invoice").

The Store does **not** perform installation. Installation services, if any, are provided by an **independent third-party installer**. The Store may communicate with the installer and facilitate communication between the Customer and installer as a courtesy only. The installer is **not an employee, partner, or agent of the Store**.

### **2. Measurements, Verification & Customer Assumption of Risk**

#### **2.1 Measurement Responsibility Disclosure**

**Customer Initials:** \_\_\_\_\_

Customer acknowledges that all cabinetry, layouts, designs, and materials ("Materials") are ordered based upon measurements provided to Edgewater Cabinet Store, LLC ("Store"). Measurements may be verified by the Store, verified by an approved independent installer, or provided by the Customer and not verified.

#### **2.2 Customer-Provided or Unverified Measurements**

**Customer Initials:** \_\_\_\_\_

If measurements are provided by the Customer or not verified in writing by the Store or an approved installer, such measurements are used at Customer's sole risk.

#### **2.3 Release of Liability for Unverified Measurements**

**Customer Initials:** \_\_\_\_\_

To the fullest extent permitted by Florida law, Customer knowingly and voluntarily releases, waives, and discharges the Store from all claims, damages, losses, or costs arising from inaccurate or unverified measurements, including fit, design incompatibility, labor, delays, or reorders.

#### **2.4 Customer Direction to Proceed Without Verification**

**Customer Initials:** \_\_\_\_\_

If Customer insists that the Store proceed without verified measurements, Customer agrees this constitutes informed consent and a material inducement for the Store to proceed, and Customer assumes all resulting risk.

#### **2.5 Measurement Forms Incorporated by Reference**

**Customer Initials:** \_\_\_\_\_

All Measurement Verification & Liability Release Forms are incorporated into this Agreement by reference.

## 2.6 No Refunds or Reorders

Customer Initials: \_\_\_\_\_

No refunds, credits, reorders, or chargebacks shall be issued for issues arising from unverified measurements.

## 3. Design Approval, Special Order Items and Final Sales

### Design Approval and Final Sales

Customer Initials: \_\_\_\_\_

Once a design has been approved by the customer and materials have been ordered from the vendor, all sales are final. A change in customer preference, mind, or design—whether before or during the installation process—does not entitle the customer to a refund, return, or exchange. All products are considered non-refundable once the customer has given final approval and the vendor order has been placed.

### Special Order Items

Customer Initials: \_\_\_\_\_

Special order items are priced separately and are not included in the regular cabinet costs. Payment for standard cabinetry or completed phases of work cannot be withheld, delayed, or reduced due to special order items pending delivery or not yet received from the vendor.

## 4. Installer Payment & Installation Estimate Disclosure

Customer Initials: \_\_\_\_\_

The **installer is paid separately and directly by the Customer**. Installer charges are **not included** in the Store's Invoice unless expressly stated in writing.

At quote time, the Store may provide the Customer with an **installation cost estimate** based on general pricing agreements or historical pricing with independent installers. The Customer understands and agrees that:

- The installation amount provided is **an estimate only**, not a guaranteed or fixed price.
- The installer may **increase or decrease** the final amount due based on job conditions, scope changes, site readiness, or additional work required.
- Any disputes regarding installation pricing, workmanship, scheduling, or payment are **strictly between the Customer and the installer**.
- The Store assumes **no liability** for installer pricing or performance.

### Independent Installers and Payment Terms

Customer Initials: \_\_\_\_\_

Independent installers operate on a phased payment schedule and require payment as specific phases of the job are completed. Installers are not responsible or liable for changes in customer preference, design modifications requested after work has commenced, or delays caused by vendor materials not being received.

**Under no circumstances** may a customer **withhold payment** from an independent installer for any reason. If a **dispute** or **claim** for a refund arises that cannot be resolved mutually with the installer, the matter must be **handled independently** through the appropriate court of law. Customer will be responsible for court costs and other fees, as permitted by law.

## 5. Inspection & Acceptance

Customer Initials: \_\_\_\_\_

The party taking possession of the Materials from the Store (Customer or Installer) must **inspect all Materials prior to leaving the Store** and sign a **Material Release Form and/or Material Inspection Checklist**.

If the Store arranges delivery, the Customer must inspect the Materials upon delivery and sign a **Delivery Inspection Checklist / Delivery Condition Acknowledgment** before the driver departs.

Once Materials are signed for by Installer, Customer and/or Delivery Driver, the Store is released from liability for loss, damage, shortages, or defects, except as expressly provided by manufacturer warranty.

## 6. Payment Terms (Standard Policy - 100% Upfront)

Customer Initials: \_\_\_\_\_

Unless otherwise agreed to in writing, **full payment (100%) for all Materials is required in advance**.

- No Materials will be ordered, released, scheduled for delivery, or transferred until **payment is received and fully cleared**.
- Checks, ACH, Credit Card or other payment methods must clear the Store's bank prior to release.
- Payments apply to Materials only and do not include installation unless expressly stated on the Invoice. On very rare occasions, Store may collect payment on behalf of the Installer. This must be communicated to and accepted by all parties.
- All sales are final once Materials are ordered, subject only to manufacturer policies.

## 7. Release of Materials & Clearance Requirement

Customer Initials: \_\_\_\_\_

**No Materials will be released under any circumstances until all required payments have been received and fully cleared**, regardless of installer scheduling, requested delivery dates, or project urgency.

The Store is not responsible for delays caused by payment processing times, banking holds, or insufficient funds.

## 8. Limitation of Liability

Customer Initials: \_\_\_\_\_

The Store's sole liability for defective Materials shall not exceed the **purchase price of the defective Materials** as stated on the Invoice.

The Store shall not be liable for **consequential, incidental, special, or punitive damages**, including but not limited to labor costs, installation charges, delays, loss of use, or installer-related claims.

## 9. Legal Disputes and Fees - Governing Law & Venue

Customer Initials: \_\_\_\_\_

This Agreement shall be governed by the laws of the **State of Florida**. The venue for any dispute shall be **Volusia County, Florida**.

In the event that any dispute, claim, or disagreement arising from this project must be taken to a court of law for resolution, the customer shall be held fully liable for any and all court costs, attorney's fees, and associated legal expenses incurred, to the fullest extent applicable by law.

## 10. Entire Agreement

## Independent Installer Job Agreement – Terms & Liability

1. Installer and customer acknowledge the installer is an independent contractor and has provided all required and requested documentation to Edgewater Cabinet Store, LLC prior to beginning work on the customer's job site.

2. Installer acknowledges independent contractor status and that measurements may be verified by the Installer, the Store, or provided by the Customer and not verified.

If materials are ordered based on Customer-provided or unverified measurements, Installer agrees responsibility does not rest with the Store.

Installer agrees to defend, indemnify, and hold harmless the Store from claims arising from measurement inaccuracies, re-work, delays, or installation issues related thereto.

3. Edgewater Cabinet Store, LLC is not liable for installation workmanship, or damages that occurred during installation.

All liability for installation is the independent installer's responsibility. If the customer is not satisfied with any aspect of the installation, they must come to a resolution with the independent installer they have paid or agreed to pay for the job.

There is a standard 1-year limited warranty with our installers on the installation workmanship that begins the day of installation.

4. All materials must be inspected by the installer before leaving the warehouse and by the customer when the materials are received at their job site. The only exception to the customer not signing, is if the customer is not present during the job or available to inspect upon job completion, before the installer leaves the site. If the customer is not present, the customer then releases their inspection right and only the installer signature will be required.

5. Once materials leave the store, liability transfers to the installer and/or the customer.

6. Installer agrees to follow all Florida laws and licensing rules as well as all agreed to terms in the Independent Installer Safety and Workmanship Agreement.

7. This Agreement is governed by Florida law with venue in Volusia County, Florida
